

Do you work at a construction site or brick kiln?

If yes, you can get these government benefits:

Birth of a child
Rs. 10,000

Death or disability
Rs. 1-5 lakhs

Serious illness
Free care at government hospital

Step 1: Are you covered under the scheme?

Have you worked in any brick kiln or other construction work for at least 90 days in the past year?

Are you between 18 years and 60 years old?

If yes to both → you are covered under the scheme.

Step 2: Do you have the required documents and money?

Aadhaar card

Proof from employer (s) that you worked at least 90 days

2 ID photos

Rs. 80

If no → help is available to get these documents.

Turn the page for contacts of nearby workers' organizations →

If yes → go to the nearest district office to apply for benefits.
